

# New Supremes with Blue 861 cloth!

**Usage is to be a strictly booking only policy for the moment!**

ALL bookings must go through D Poole up to the BB-OPEN League begins. After the League begins, then only practice session bookings will be taken...

## [See list of rules below!](#)

(These are being put in place so to be fair to everyone)

**1.** There will be no "on the day bookings" up to the BB-OPEN League begins on March 12th! (League players ONLY! will be able to book a table themselves online for their league matches from March 12th. If a slot is available, they can also book for a league match on the day of play. PLEASE NOTE: The league booking form CANNOT be used for booking practice sessions. Anyone found doing this, then a rule 4 ban will apply!

**2.** Regarding all practice sessions, you cannot just play on the tables during the official booking times which are allocated, you must have a valid booking! (The allocated booking times are between 5-11pm Mon-Fri, and 12-8pm Sat-Sun) A max 2 hours booking is allowed! Times are free and open outside of the allocated booking times.

**3.** If you are not in the room at the time of your booking, after 10 minutes has passed, your booking then becomes invalid and is deleted. You cannot claim the table should you arrive after this! In this "circumstance", any league games will be given first priority, and then any players who only fall into the "PRIORITY 1" bracket... (see below).

**4.** If you fail to give notice and just don't turn up for a booking, then you will receive a ban and will not be able to book again for the duration of that week! Should it fall on a Fri-Sun, then you won't be able to book again until the following Fri-Sun. So bottom line is, be respectful! Many players want to play on these cloths so be fair!

**5.** After your booking ends you must vacate that table you are on! This applies even if no one is booked after you. In the event that no booking follows you, then the "circumstance" situation in rule 3 applies!

**6.** No player can have more than 1 active booking at a time. In other words, you cannot book multiple time slots. Once your booking ends, then you can book another time slot!
